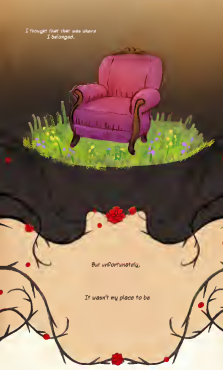
Except me.
DON'T YOUR TEACHERS AND PARENTS WORRY ABOUT YOU?
MY GRADES WERE HIGH AND I DIDN'T CAUSE ANY PROBLEMS SO THEY WEREN'T PARTICULARLY WORRIED
OF COURSE, I WAS ANXIOUS.
So, in order to ease my mind,
I sometimes gazed at the trees that grew between the villages
I liked to look at the trees running through a straight railway.
It was as though it was telling me that it was determined to follow that one path
I was jealous.
Time passed and it was time for graduation
My friends had all decided and were preparing for their future.
I was the only one who still didn't know what to do.
Lucky, there was an opening in the village town, and my teacher wrote me a recommendation

Of course, I looked at everything thoroughly, like the wage and life after retirement.
Although it was hard to get used to the repetitive work,



But unfortunately,

It wasn't my place to be

I'M BACK
